Our

Foreword

These are carefree happy days for us, but something seems to be wrong. There are tensions and strains in the air. Our teachers tell us to watch the struggles of the world. We feel the ominously dark shadows. Still we want our joy from life. We want our youth. Our place in the sun. What shall we do to be happy?

We begin to realize, slowly, that our happiness is bound closely to accepting and discharging the responsibilities of community, nation and world that come to each of us. We know we cannot shirk them for to do so would be to lose all.

We understand now we must prepare. We look to our schools and families for the guide lines.

Dedication

CHARLES A. MULLIGAN

In deep appreciation for his sincere interest in the youth of this area and their education, we - the Musketeer Staff of 1963 - dedicate this volume to Mr. Charles A. Mulligan.

His tenure, and that of his father's, John J. Mulligan, has enabled the schools of Central Islip to keep their standards high throughout half a century of progressive growth. The community has also been the beneficiary of the combined leadership qualities of father and son. Active in the establishment of the local Fire Department, participating on the Chamber of Commerce, in church affairs, serving in membership and in executive capacity with the Central Islip Lions Club, the Second Supervisory District Board of Cooperative Educational Services, and the Industrial Planning Commission give testimony to the dedication of these men of stature.

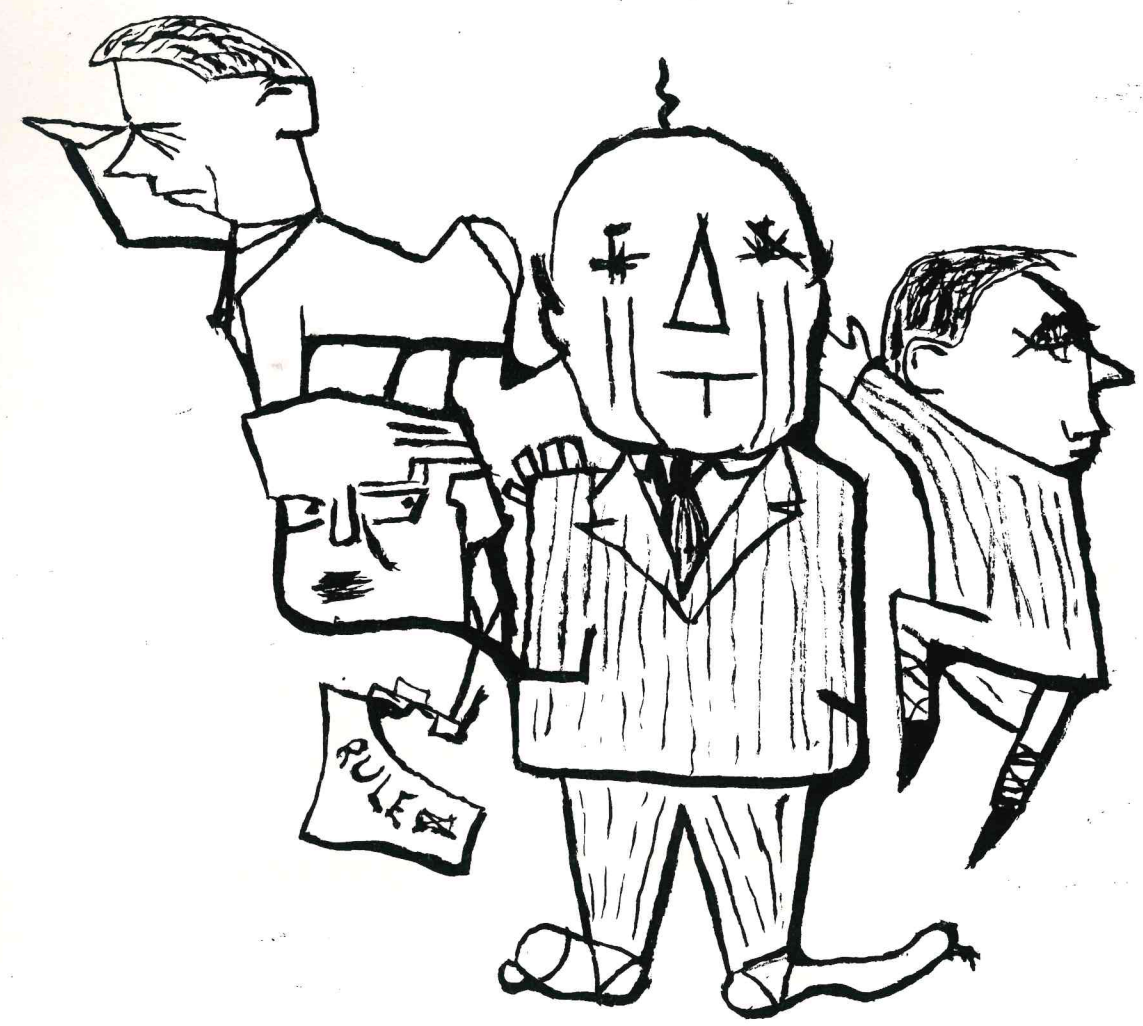

The Mulligan name has been indelibly written in the history of Central Islip.

Welcome!

Message from Mr. Fred W. Shertenlieb:

To each one of the students of the Mulligan Junior High School, I offer my sincerest felicitations and hope that this year has been a successful one. You had the rare opportunity of being the first class to occupy the new Junior High School and with this came the responsibility of setting the standards for those who will come after you. I am sure that the leadership you have offered will stand well in the future.

Letter from the desk of

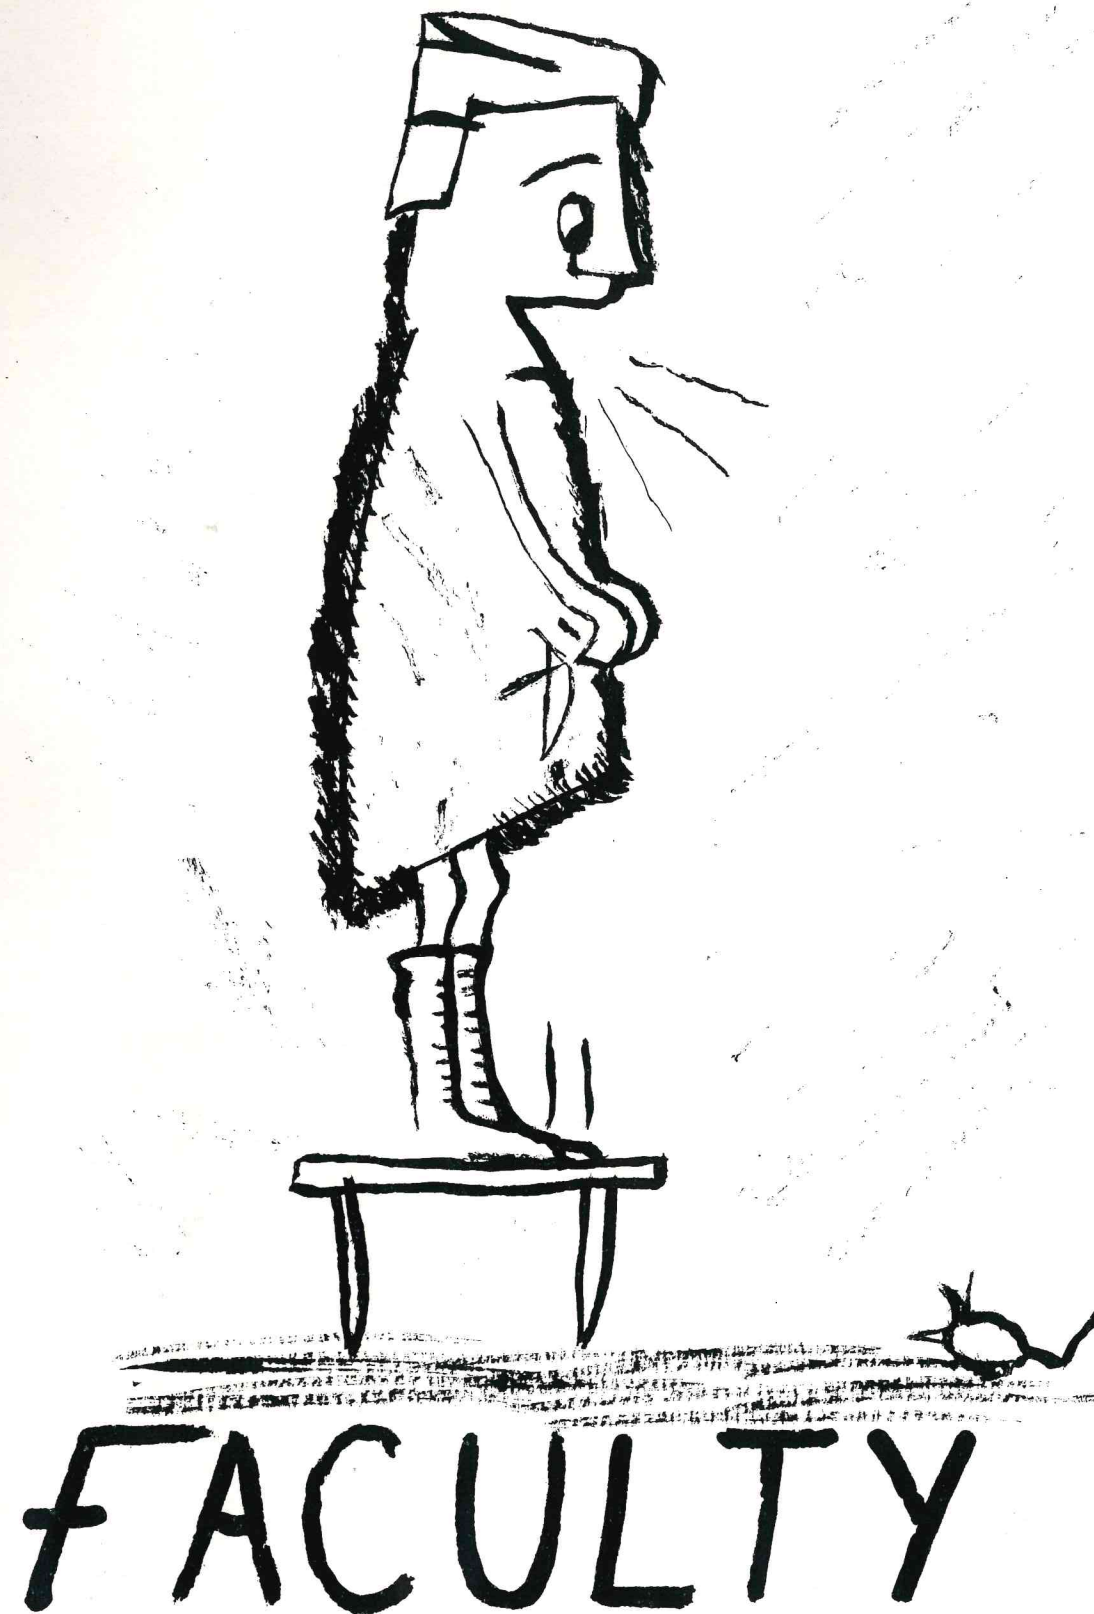

EUGENE D. ZAGORSKY, Principal

Dear Students:

We have entered into a new era with the opening of our new Junior High School. I am sure that with this new beginning, many traditions will be established which will guide the future students of this school to achieve great accomplishments.

The teaching staff joins with me in wishing the Yearbook Staff and its loyal student body success in all future years.
