Good morning
yesterday
you wake up and
time has
slipped away
And suddenly it's
hard to find
the memories
you left
behind

Remember . . .

Do you remember?

The laughter

And the tears

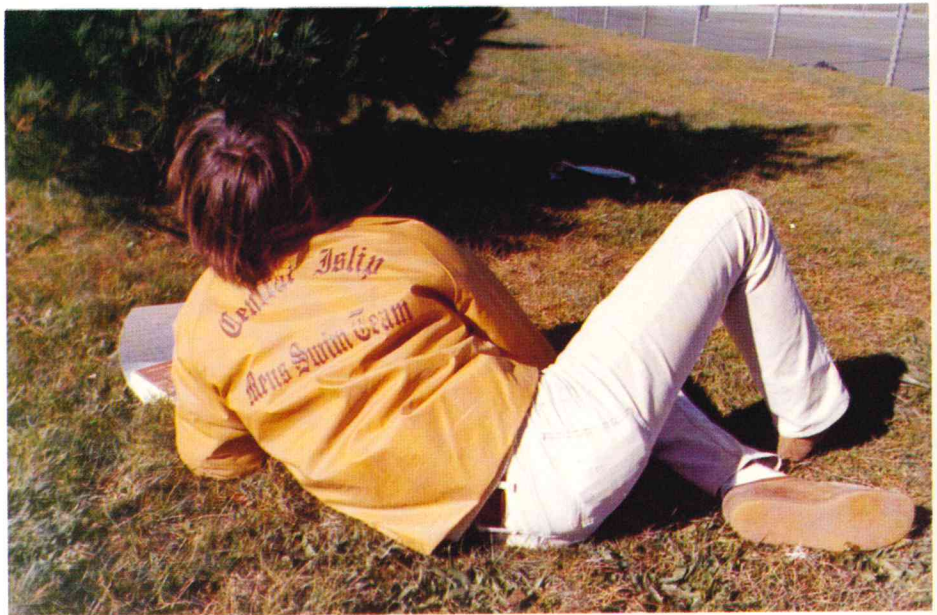

The shadows of misty
yesteryears
the good times and the
bad you've seen
and all the others
in between

Remember

Do you
remember

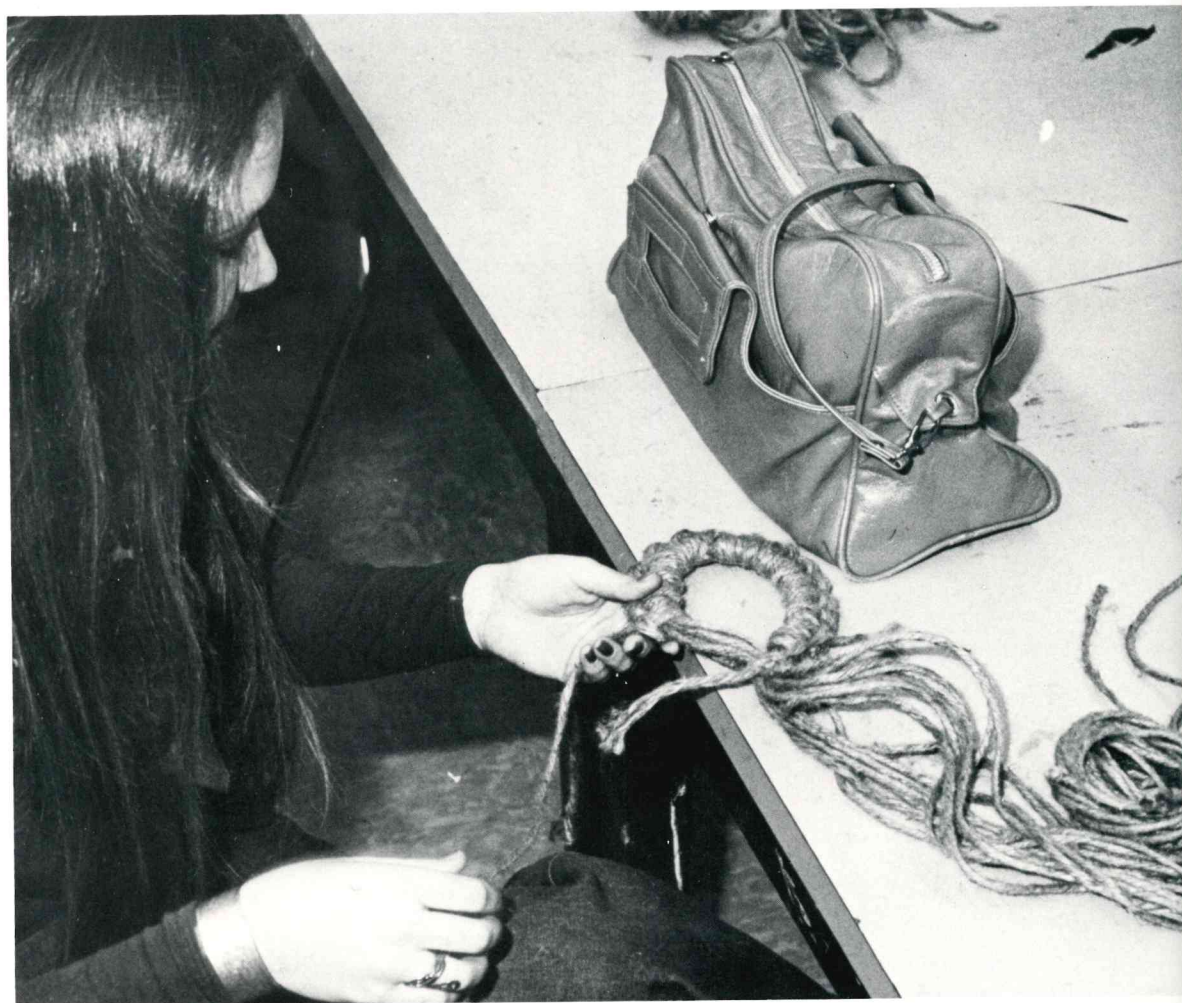

The times
of
your life

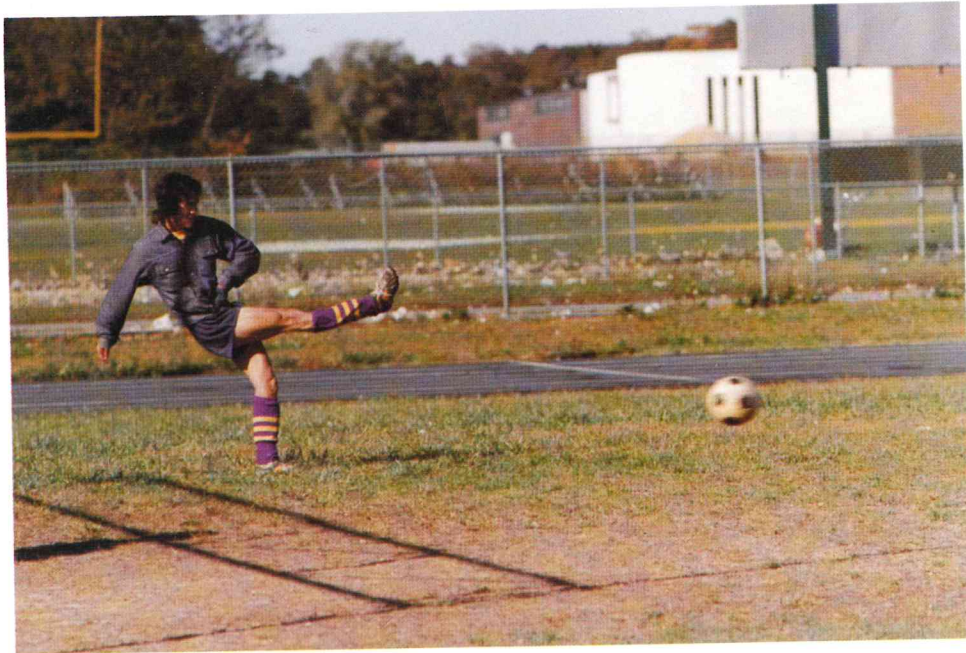

Reach back for
the joy and the
sorrow
Put them away
in your
mind

For mem'ries are
times that you
borrow
To spend when
you get to
tomorrow

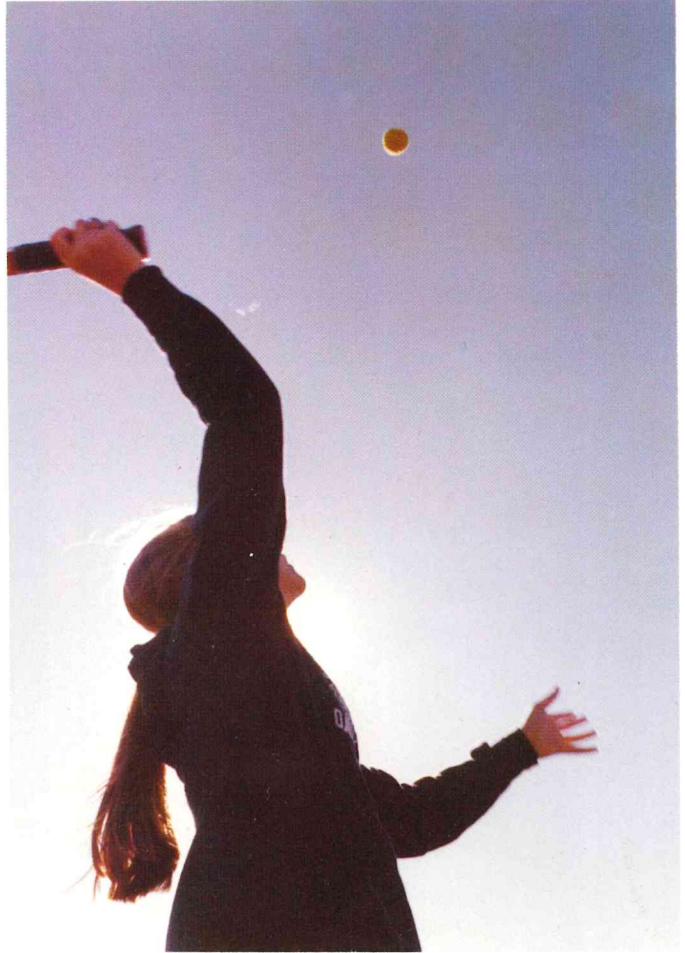

Here comes the
The seasons are
One by
So gather moments
Collect the dreams
Today

setting out
passing
one
while you
you dream

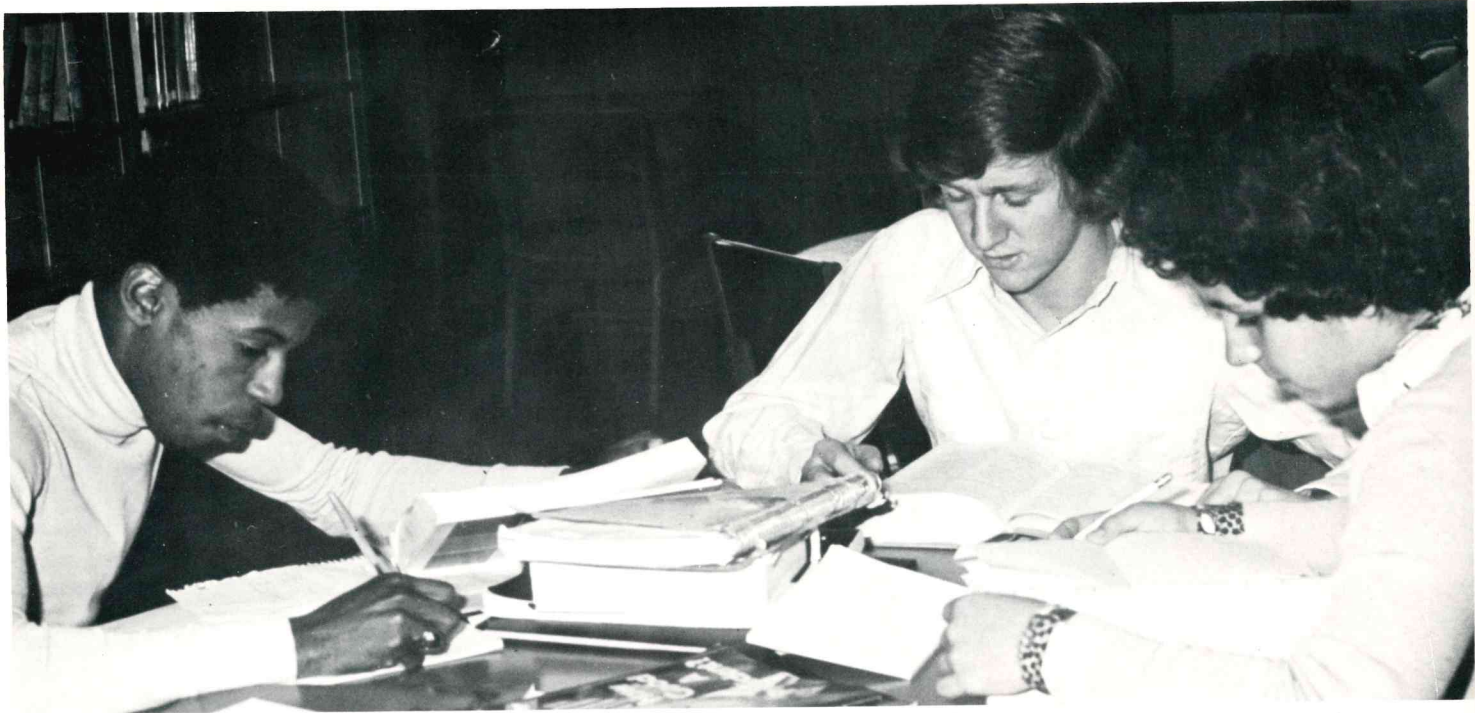

Here comes the
The seasons are
One by
So gather moments
Collect the dreams
Today

setting sun
passing
one
while you may
you dream

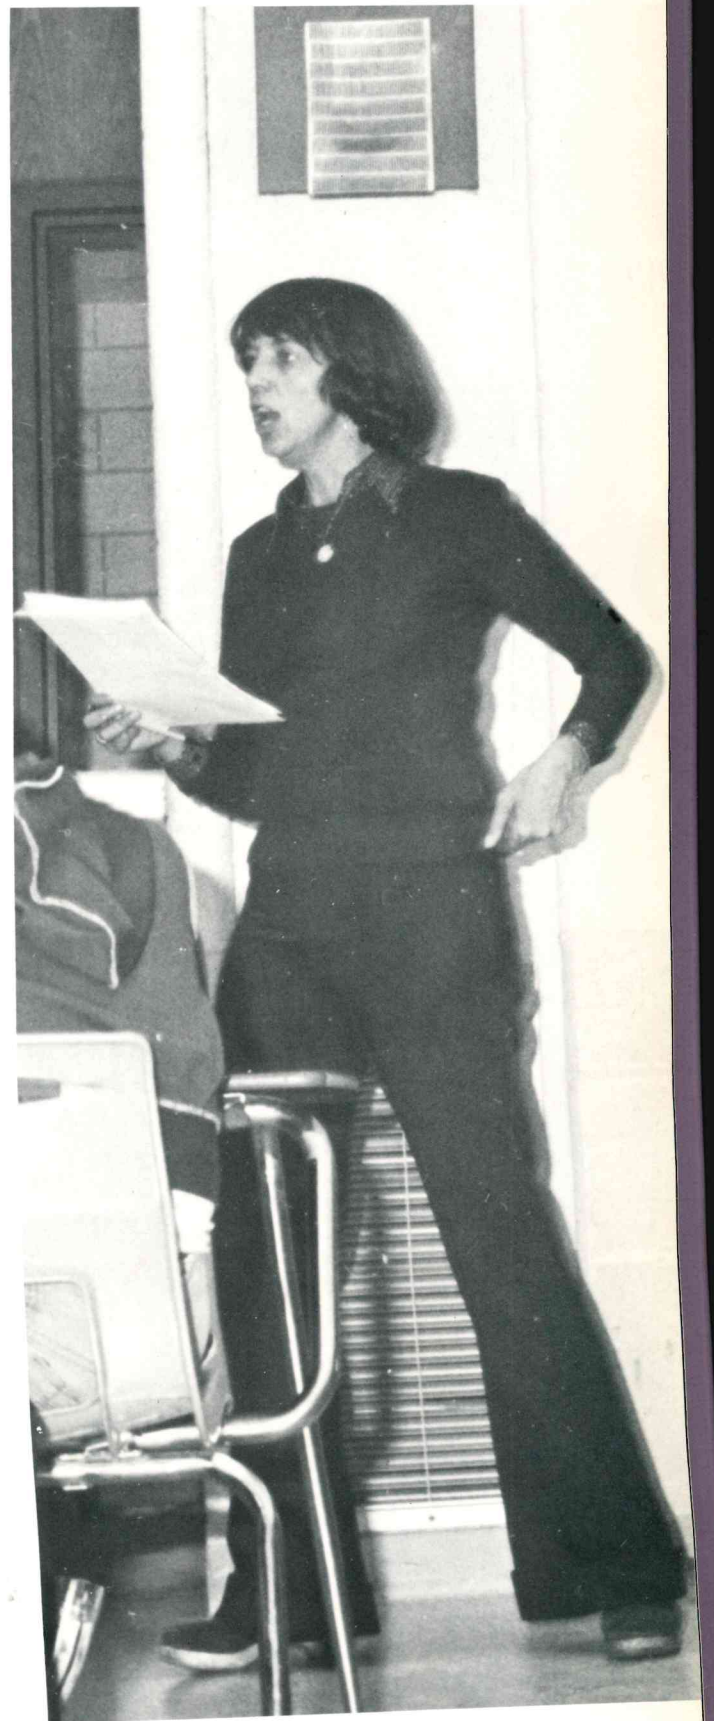

Remember . . .

Will you remember
the times of your
life?

Will you remember
the times of your
life?

Do you remember baby.

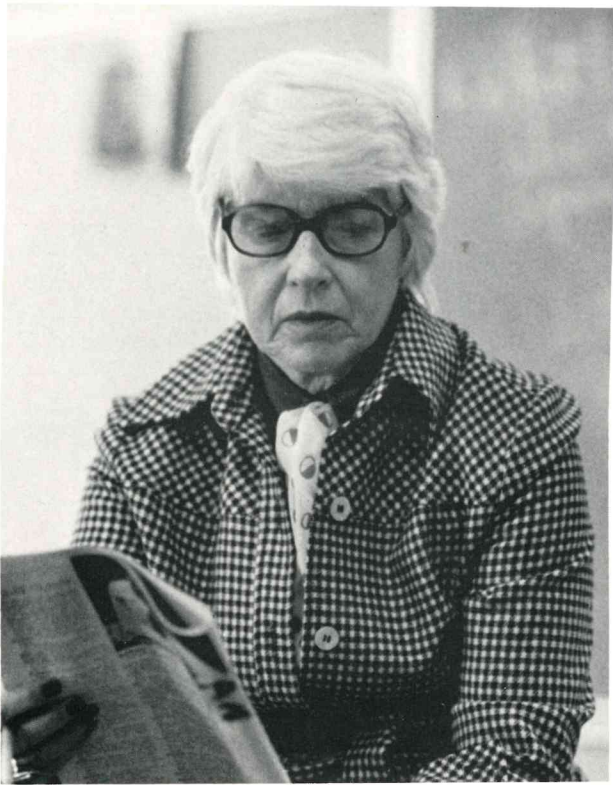

Do you remember the times
of your life

TREASURES 1977

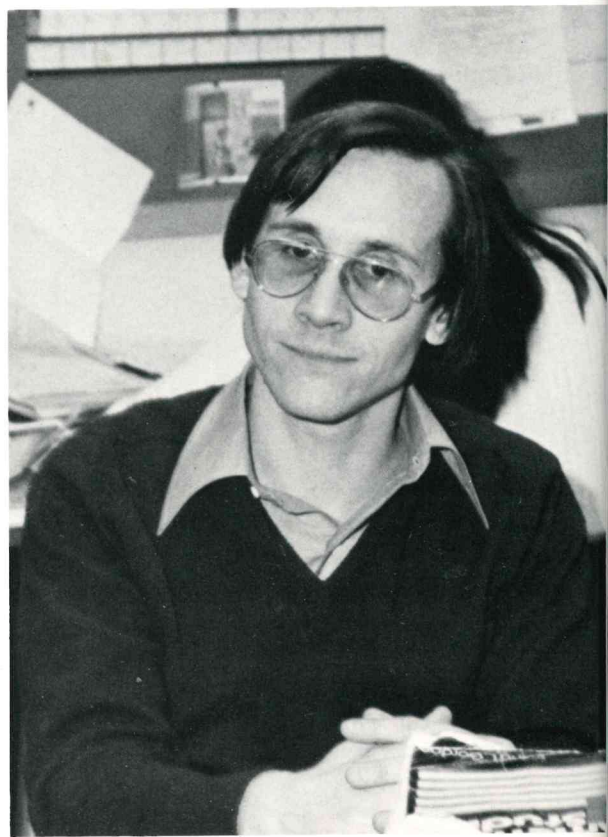

Published by the Students of Central Islip High School,
Central Islip, New York.

DEDICATION

Mrs. Taylor has worked in the Central Islip High School since 1967. She has showed her devotion to the students of our school by advising the National Honor Society, an organization which often tutors young children with learning disabilities. It is a pleasure to know a woman so dedicated to her work and our community that we find it our privilege to co-dedicate this 1977 Treasures Yearbook to Mrs. Vivian Taylor.

Mr. Zagorsky has worked in our High school since 1971. During that time he has been the advisor for the yearbook staff. His interest and care for people can never be measured and the yearbook staff is extremely fortunate to have such a dedicated man working with them. Because of the quality of service shown to the students and faculty of Central Islip High School we wish to co-dedicate this yearbook to Mr. Steve Zagorsky.

In Memory of

Rita Morrow

Patterns

I walk down the garden-paths,
And all the daffodils
Are blowing, and the bright blue squills.
I walk down the patterned garden-paths
In my stiff, brocaded gown.
With my powdered hair and jeweled fan,
I too am a rare
Pattern. As I wander down
The garden-paths.

"It's graduation
diploma...
friends I...
ries that mean...
I'm leaving...
Well, perhaps...
beginning...

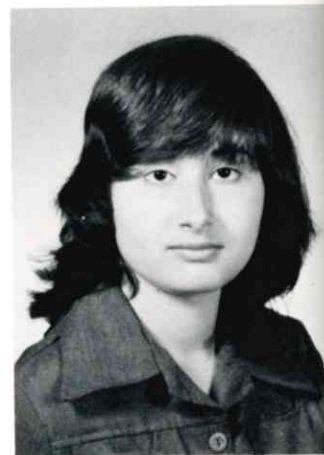

"It's graduation and it's unbelievable that I'm here. They'll call my name in a few minutes, and I'll wake up to receive my diploma . . . where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think that I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the four years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there and it'll be all over. In a way, I guess everything's really just beginning."

The Journey of a Lifetime
Begins With a Single Step;
Reaching and Searching for That
Intangible Moment
When One's Identity Is
Materialized

In the Beginning,
We Understand
Neither the Universe,
Nor People,
Nor Ourselves
Blindly, We Reach.

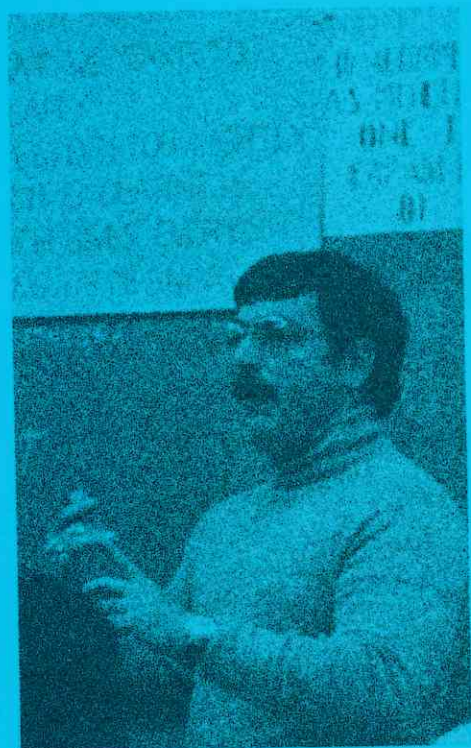

We Push Forward
To Prepare for
The Future
The Dream
A Life Imagined

Better Days Ahead

We Push Forward Individually
To Prepare for the Time When
The Future Becomes the Past,
The Dream Becomes a Reality,
A Life Imagined Becomes a Life Lived.

Eager to Realize a Togetherness That Must
Be Left Forever Untouched
We Pause to Remember the Good Times Before
Moving on to Enjoy, Enjoy, ENJOY.

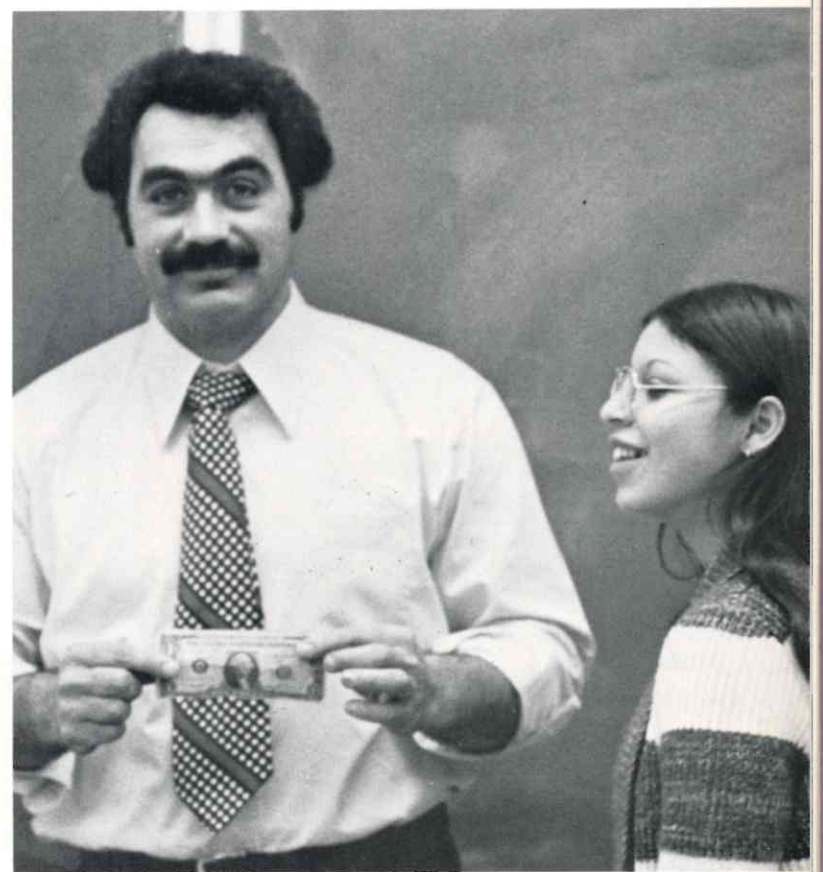

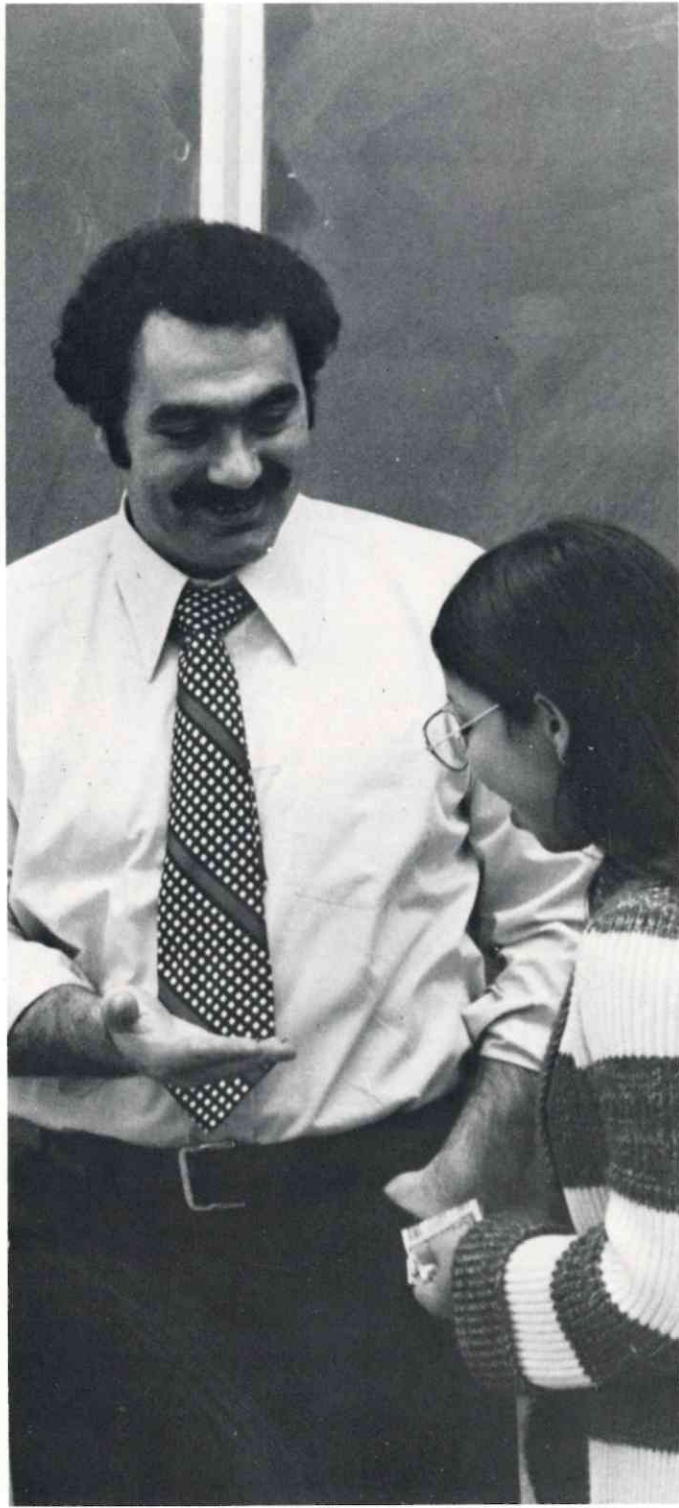

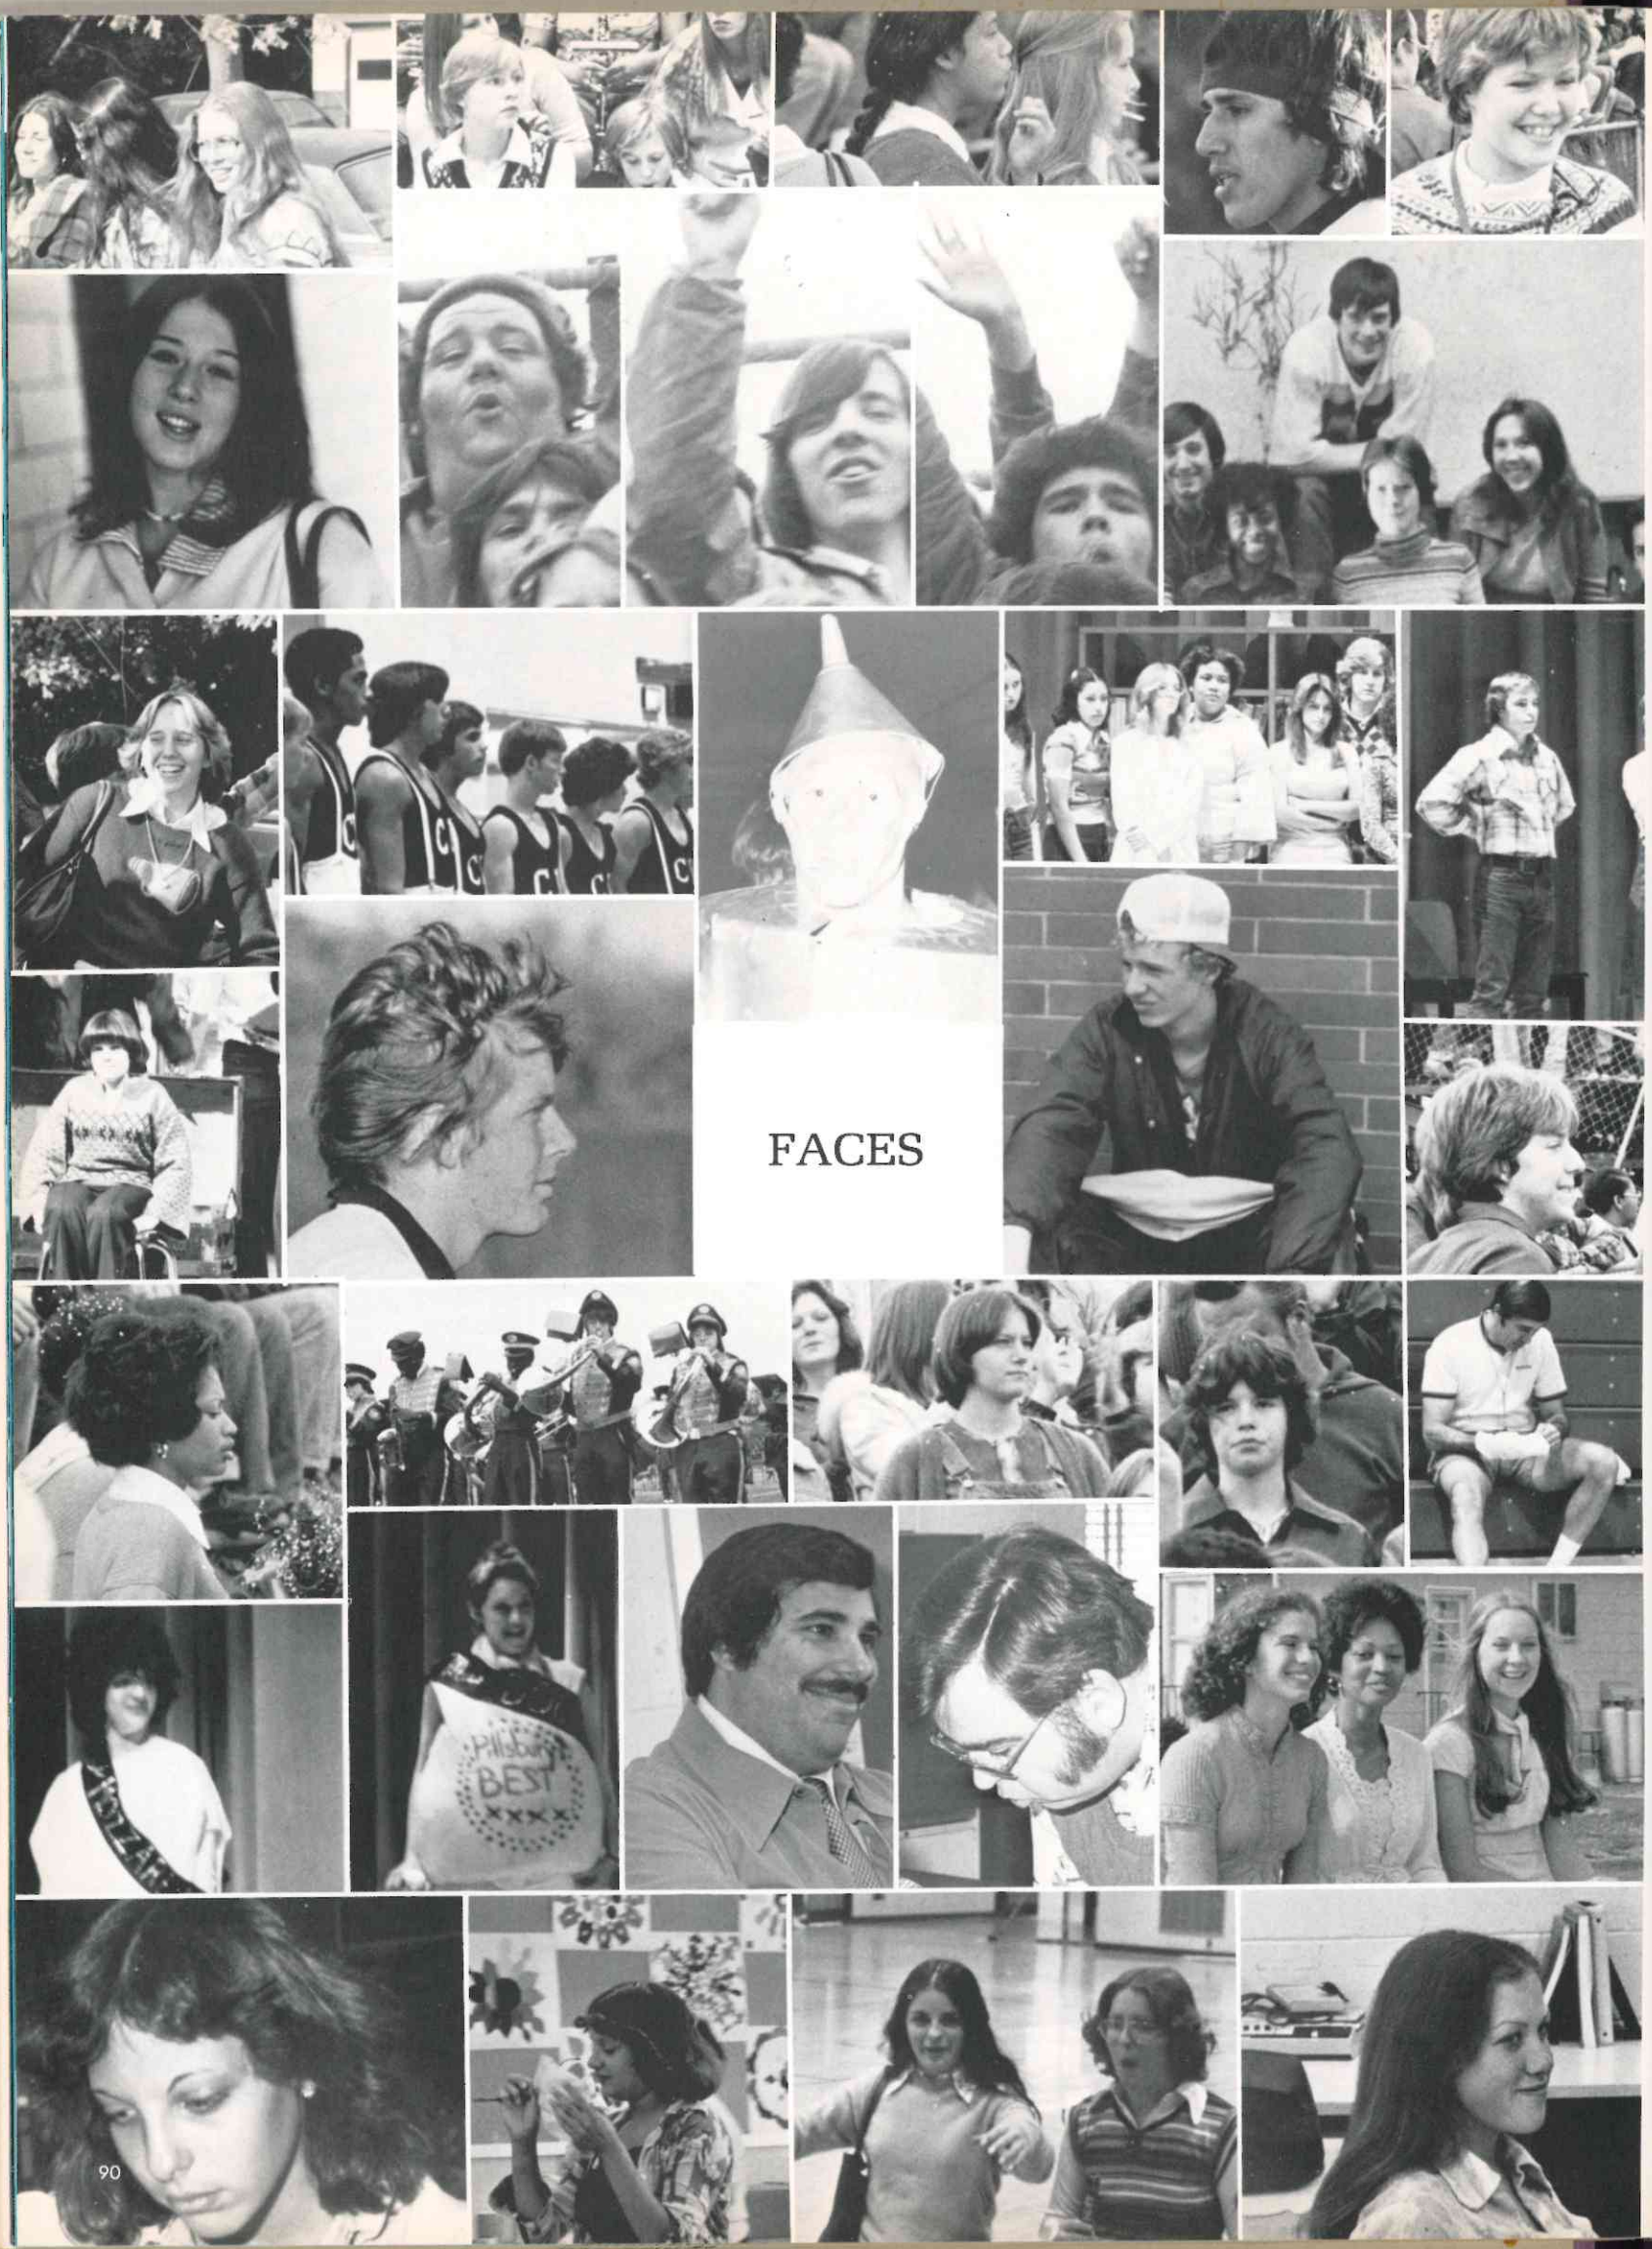

Better Days Are Ahead!

"How much money a month?"

FACES

Watch out for Dracula Johnston; He's out for some blood.

Donna and Leslie are good examples of '77 Seniors.

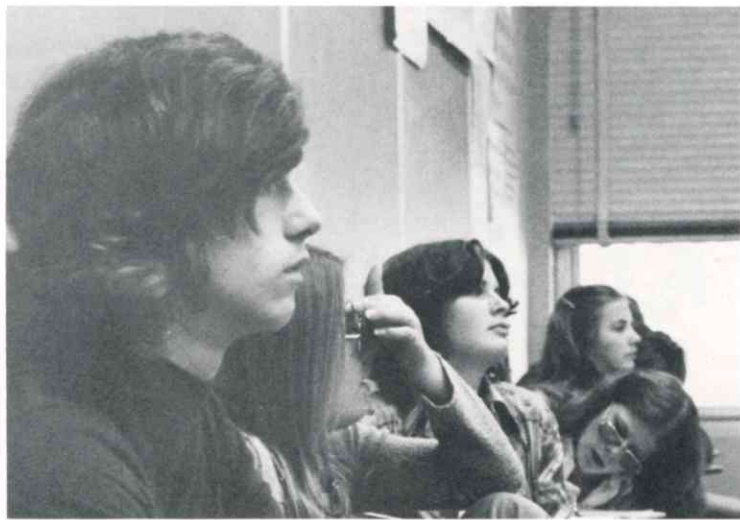

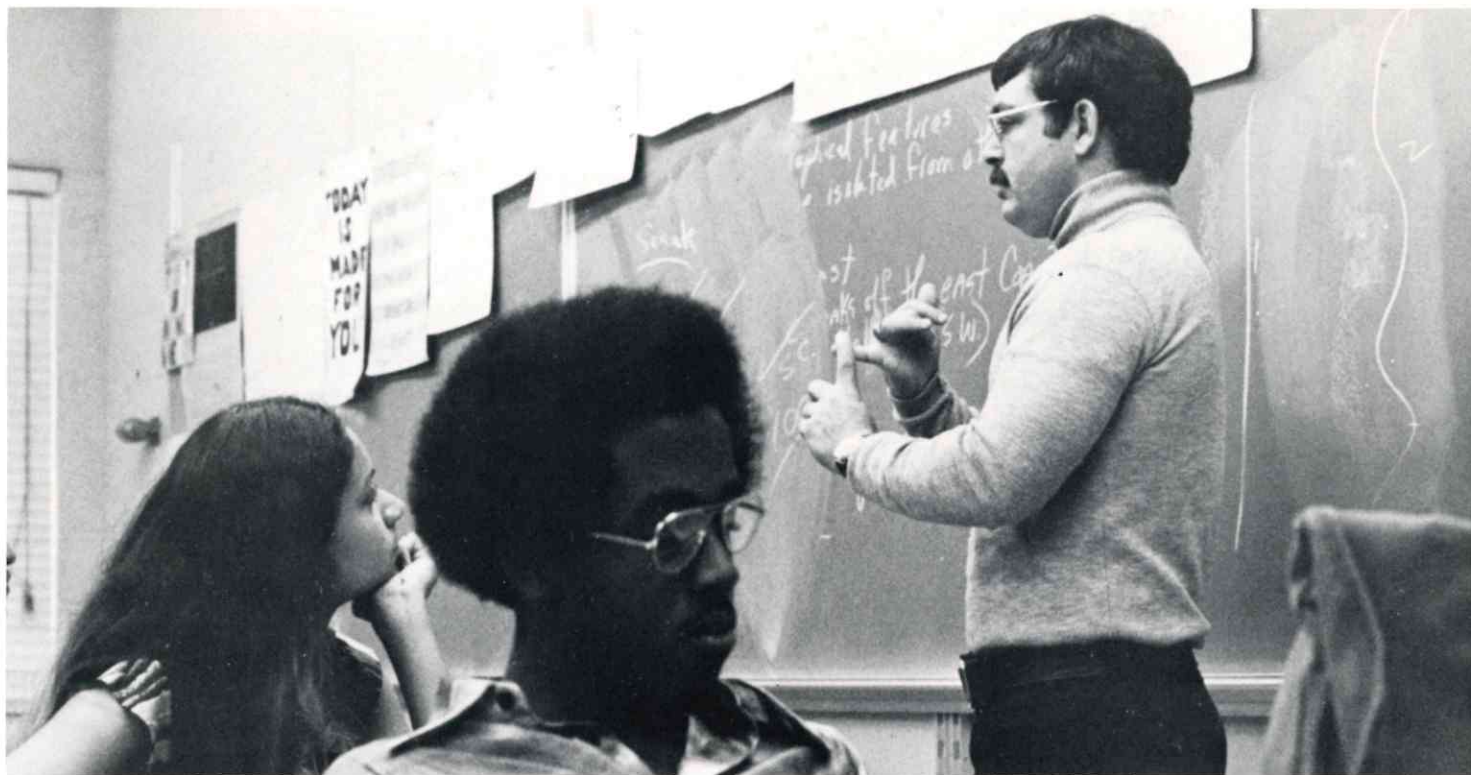

What does she see in him?

Don't be fooled by me, you know I love every minute of it.

Psssss . . . Is number 3, A or B?

ME
THE DEVIL MADE

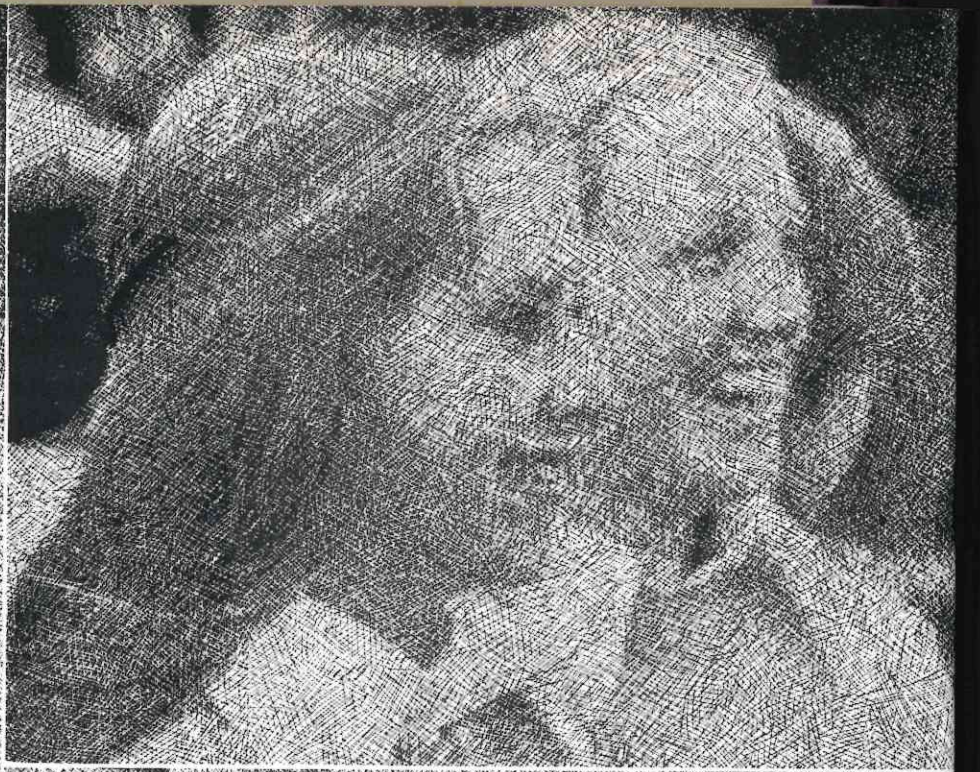

ME DO IT

THE DEVIL MADE

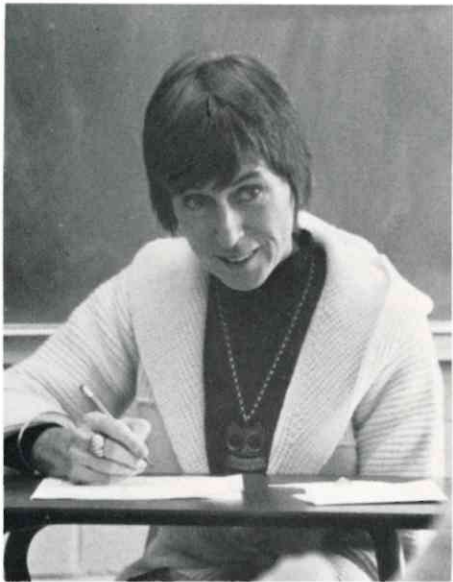

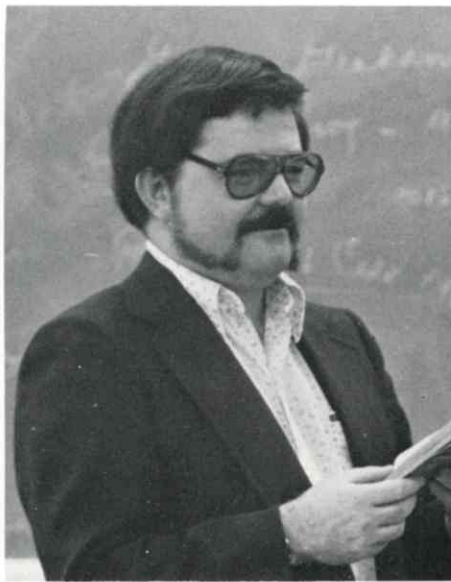

Although, people of tradition,
we realize the value of a sound
preparation for life in our
ever changing world.

As underclassmen, we started at the bottom
and developed a foundation upon which to grow
and mature.

As students we learn: about life, about others,
and most of all, about ourselves.

If

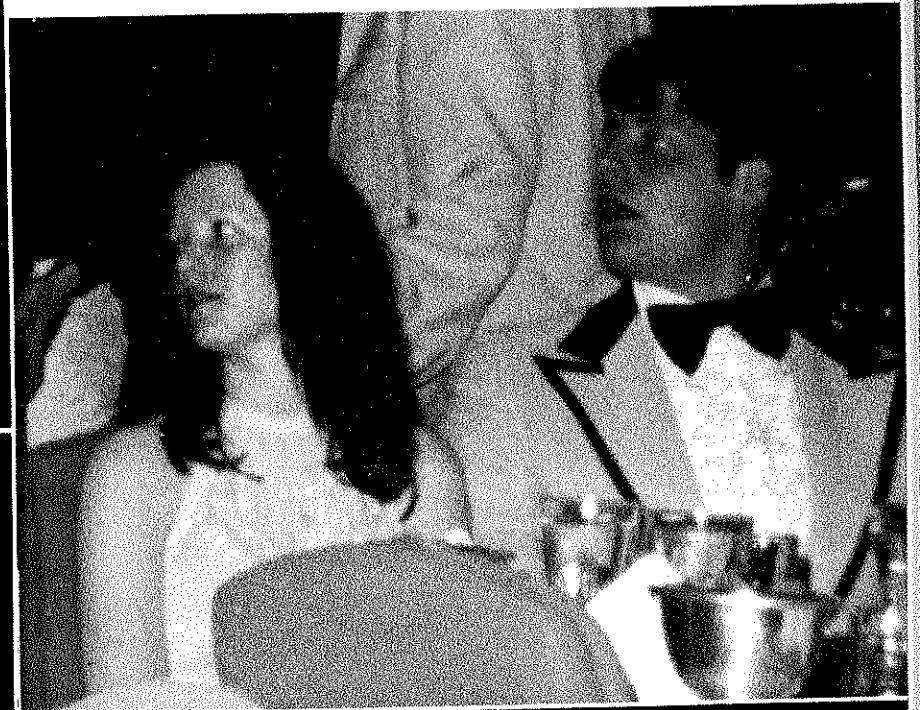

If a picture paints
a thousand words
then why can't I paint you,
If a face could launch a
thousand ships then where am
I to go, there's no one home but
you you're all that's left me too
And when my love for life is running dry
You come and pour yourself on me
If a man could be two places
at one time I'd be with you
tomorrow and today
beside you all the way
If the world should stop revolving,
spinning slowly down to die. I'd
spend the end with you and when
the world was through
Then one by one the stars would all go out
and you and I would simply fly away.

THE S.O.

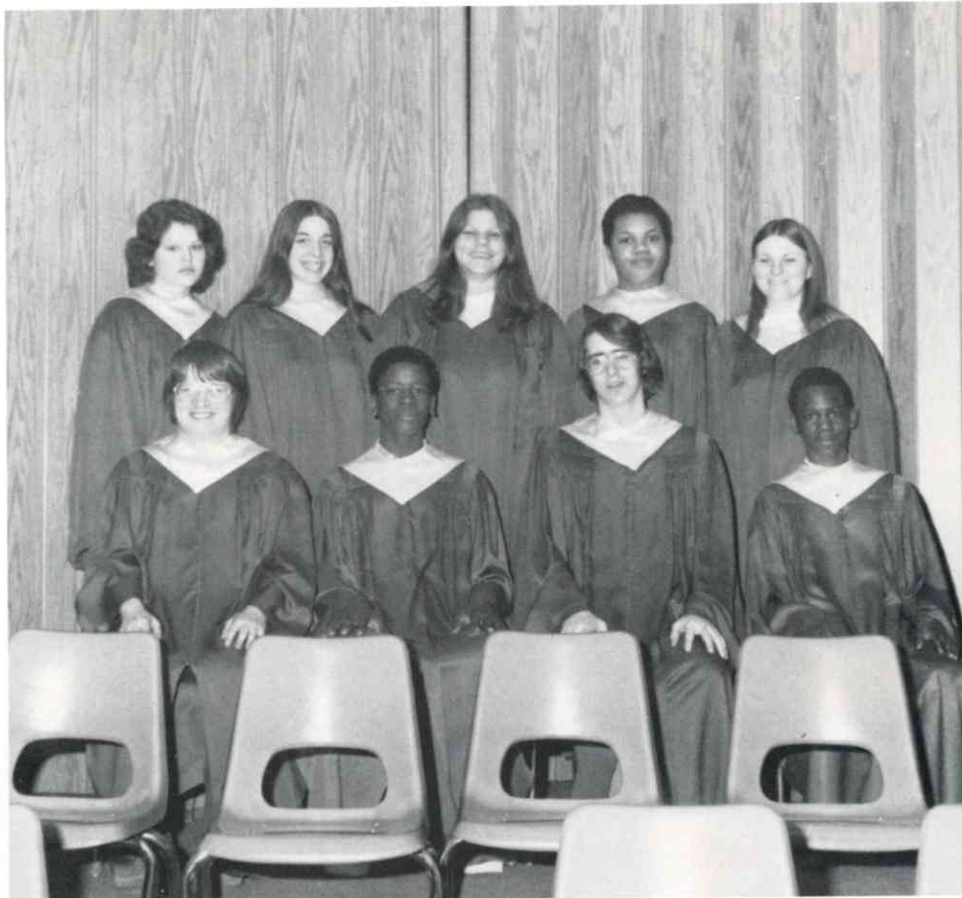

The S.O. is an organization comprised of fellow students created to represent and uniform the student body as a whole. The organization's functions include encouraging school activities, a means of carrying on a self government and to advise the administration of student opinion. We are also a member of the National Association of Student Councils.

The Student Organization has its own constitution which is designed by and for the students. It is, by far, one of the most important aspects of our school.

Happy reminder.

Life ahead offers many uncertainties.
But throughout the years one constant remains.
Your Balfour class ring. It will never fail as a happy
reminder of the golden years you shared with your
classmates. Wear it with pleasure.
