## Foreword

We have passed through these ever open doors many times. The hustle and bustle of our school life has become a routine matter to us, but before we realize it, we will have only the fond memories of it to look back upon. Mirrored on these pages are the remembrances of our fleeting school days.

# Dedication

FRED W. SHERTENLIEB

Changes take place so rapidly in our society that results are generally the only standard of success. The men behind the initiation of new progressive ideas, the important decision making, and countless hours spent in fashion worthwhile innovations and expand existing services are oftentimes forgotten. We, the Musketeer staff, of Mulligan Junior High School do not want this to happen to Fred W. Shertenlieb, our Supervising District Principal. We, therefore, affectionately dedicate this 1965 yearbook to him.

The Central Islip School System was indeed fortunate in acquiring the services of Mr. Shertenlieb to lead the way in education policy in this district. From a twelve teacher school system to the present complex of six schools and two hundred fifty-four teachers, Mr. Shertenlieb has shown consistently that his experience and administrative ability has kept Central Islip in the forefront of education.

Not satisfied to confine his efforts solely to the administrative level, Mr. Shertenlieb has as a member of the C.I.T.A. kept in touch with his teachers and remained responsive to their needs. The community has likewise benefited from Mr. Shertenlieb's interest and concern. Constantly trying to keep the parents of the students of Central Islip informed, he has participated in civic association meetings, has concerned himself with the welfare of Central Islip, has interest in the P.T.A., has become a member of the Lion's Club and other organizations whose concern is for others.

We wish Mr. Shertenlieb to know that he is well respected and liked among the students of his district. We wish him to know that he is looked upon as a leader by his professional staff, and we know the community of Central Islip counts itself fortunate to have him as a leader.

## Supervising Principal

Dear Students:

It is with sincere admiration that I congratulate the staff on a very fine year-book. The time and effort has been fruitful and reflects good planning on the part of the students and the advisors.

The Junior High School student body can well be proud of the 1965 yearbook, along with its many other excellent accomplishments during the school year.

With best wishes,

Fred W. Shertenlieb,  
Supervising Principal

## Principal's Message

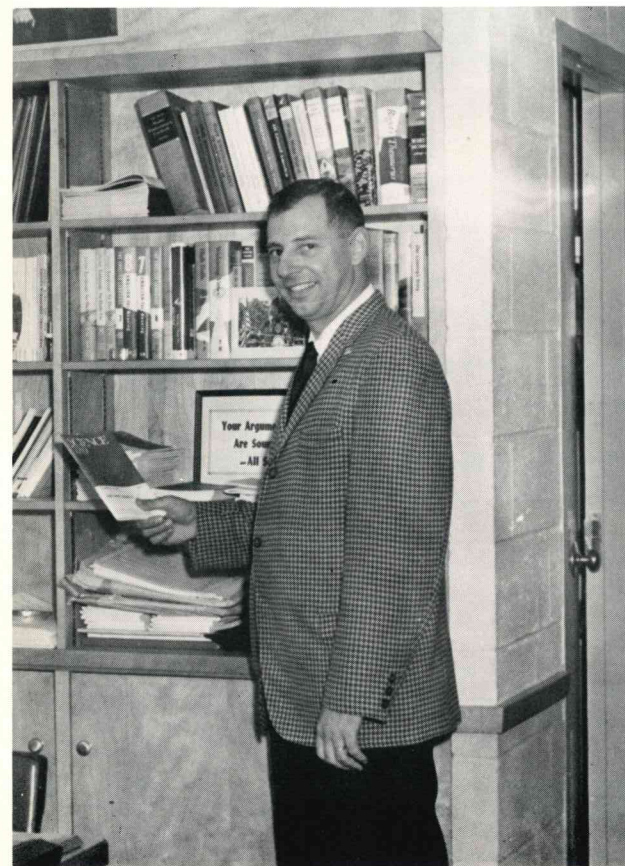

Dear Students:

Each school year brings new experiences to the students of Central Islip and these are recorded in your annual yearbook. Again in 1965, you have shown your achievements and growth. Someday you will look back on this book and it will mean something special to each of you. You will be glad you were part of it.

I congratulate the staff of the yearbook on a job well done.

Sincerely,

Eugene D. Zagorsky  
Junior High Principal

## Assistant Principal

Dear Students:

Congratulations to the Mulligan Junior High School students for the certain respect you have earned throughout the 1964-65 year.

You have had an opportunity to accept the intellectual challenge, and you have shown signs of great stimulation towards the learning process. You have taken on responsibilities and found yourself enjoying new and fuller experiences. Self discipline, courtesy and a mental toughness are all beginning to show up in your personal make-up.

May you continue to grow in character, and adapt yourself to the true values of life throughout your future years.

Sincerely,

John F. Abbenante  
Ass't. Principal
